## LICENSING SUB-COMMITTEE – SUMMARY OF DECISIONS

### Licensing Sub-Committee – Thursday 14 May 2015

**Dar Marrakesh, 422 Edgware Road, W2 (Church Street Ward / not in stress area)** – A variation of a premises licence application to extend the terminal hour to midnight for late night refreshment in the garden area only on Monday to Thursday evenings and to 02:00 on Friday and Saturday evening. Late night refreshment was also applied for on Sundays until 23:30 inside the premises and until midnight in the garden. The application involved the removal of two conditions on the existing licence requiring the beer garden to be cleared of patrons after 23:00 and that toughened drinking glasses shall be used in the premises.

The Sub-Committee heard from the Applicant's Representative that there was a management plan and dispersal policy in place and that few noise complaints had been made in recent years. She also referred to the evidence of an acoustician employed by her client that any noise from people in the garden area was likely to be imperceptible to local residents above the ambient noise level. The Sub-Committee however heard evidence from a local resident in Boscobel Street that he and his lodgers had been experiencing noise nuisance into the early hours of the morning for several years, including from patrons in the garden and those leaving the premises. Environmental Health had also advised that it was likely voices from the garden would be heard by residents in the vicinity later at night which would adversely affect their ability to sleep. The Sub-Committee refused the application except for the request to remove the condition that toughened drinking glasses shall be used in the premises. Neither the Police nor Environmental Health were of the view that there was an issue with disorder at Dar Marrakesh.

**Top Dog Eats, 48 Frith Street, W1 (West End Ward / West End Stress Area)** – A variation application to amend a condition on the existing premises licence. The Applicant sought to amend the Council's model restaurant condition in order to allow customers to purchase food, including hot dogs, over the counter and take it back to their table. Other aspects of the model restaurant condition remained including alcohol continuing to be served by waiter or waitress. The Sub-Committee was minded to refuse the application as it was a change from a restaurant to a fast food premises in the West End Stress Area and was contrary to policy. Members did not consider that an exception to the Council's policy had been made. The Applicant's Representative however offered an amendment to what had been proposed originally so that food would be served by waiter or waitress after 23:00 hours or 'perhaps slightly earlier' (the premises operates until core hours including midnight on Friday and Saturday). The Sub-Committee decided that it would compromise on the proposal and would grant the application so as to allow food and soft drinks to be served from the counter up to 20:00 hours.

**Norris News, 115 Lupus Street, SW1 (Churchill Ward / not in stress area)** – An application submitted by the Licensing Inspectorate for a review of the premises licence. This included that in November 2014, Customs and Excise seized 886.56 litres of beer and 36 litres of wine from the premises on the basis that no excise duty had been paid on the goods. This is an offence under s144 of the Licensing Act 2003. The Sub-Committee heard from the owner of the premises that he had purchased the premises in February 2014. He had received the stock valuation from the previous owner who is also the current Designated Premises Supervisor but had not received the invoices for the goods. According to the current owner, the previous owner and DPS had delayed discussions on a potential transfer of the licence and no application for a transfer had therefore been submitted to the Council. Members of the Sub-Committee considered that they had heard no evidence from the current owner to refute what had been stated by HMRC or the Licensing Inspectorate and they therefore decided to revoke the premises licence.
