## LICENSING SUB-COMMITTEE – SUMMARY OF DECISIONS

### Licensing Sub-Committee – Thursday 30 April 2015 10.00am

**Bouillabaisse, Basement And Ground Floor, 4 Mill Street, W1 (West End Ward / not in stress area)** – An application for a variation of the premises licence seeking an earlier commencement hour for the sale of alcohol for consumption on the premises of 08:00 Monday to Saturday and 09:00 on Sunday and to change the layout of the premises. The changing of the layout involved relocating the dispense bar and installing new fixed seating on the ground floor and new fixed tables and fish tanks in the basement and also refurbishing the kitchen areas.

The Sub-Committee received one representation from a local resident who was requesting that on-sales commenced at 10:00 on Saturday and 11:00 on Sunday. The commencement hours for on-sales on the existing licence were 10:00 Monday to Saturday and midday on Sunday. The Sub-Committee took into account however in granting the application that on-sales were ancillary to a table meal at all times, constituting a restaurant rather than a bar. The conditions attached promoted the licensing objectives and Bouillabaisse was not located in a designated stress area so no policy presumptions applied.

**West 9 Food & Stores, Basement And Ground Floor, 350 Harrow Road, W9 (Westbourne Ward / not in stress area)** – An application was submitted by the Licensing Authority for a review of the premises licence. During an operation in September 2014 by Her Majesty's Revenue & Customs, a substantial quantity of alcohol was seized from the premises. The officer of HMRC had advised in a witness statement that 'as no invoices could be produced to substantiate the legitimate origin/supply of the alcohol stock held I was led to believe, on the balance of probabilities that UK duty had not been paid on the alcohol in question'. Just prior to the review hearing, the Licence Holder sent in a large pile of invoices/receipts. The Sub-Committee considered that it was necessary to adjourn the application as Members could not be expected to take a decision at this juncture based on the large pile of receipts submitted at a late stage by the Licence Holder or on the 'balance of probabilities' referred to by the HMRC officer. There would need to be more conclusive evidence provided, including a report from HMRC assessing the invoices/receipts provided by the Licence Holder.
